

Application for Endowment Trust Grants

The Endowment Trust (ET) of the First Unitarian Universalist Society of Albany (Albany UU) seeks to promote the congregation's mission by providing grants from its earnings to support special Albany UU projects or mission-related expenses. It is preferred that grants be used for start-up or other one-time activities or acquisitions rather than for recurring expenses.

Grants will be awarded according to the following guidelines:

1. How does the project or expense promote our mission?
2. Could the funds become available through other sources?
3. How much money does the Endowment Trust have available for this grant cycle?
4. What is the relative merit of an application compared to other applications during this grant cycle?

Use as much additional space as you need to answer all of the following questions
